

Dear X,

College life is so much more than what happens in the classroom. Between late-night conversations in the dining hall and weekend excursions in a brand-new city, at Summer Discovery, you'll forge new friendships and get a taste of independence on one of our classic college campuses.

When the academic day is over, step off campus and into a city of possibilities. Movies. Comedy shows. Concerts. Major league sports. The list goes on!

Take our program at the University of Michigan, for example. After class, you'll tour the Rock and Roll Hall of Fame with friends, cheer for the Tigers at a major league baseball game or explore all the local restaurants, boutiques, and coffee houses along State Street.

If sandy beaches and sunshine are more your style, we've got you covered with our program at UCLA! Outside of class, get ready to ride roller coasters at Six Flags Magic Mountain, visit Universal Studios or Disneyland, or soak up some sun at Santa Monica and Manhattan Beaches.
